MESSAGES FROM OUR GRADUATING OFFICERS

Siri Gavini, President

It is extremely sad to see that another year has ended and along with it, my last year apart of Middleton HOSA. HOSA has played such a huge role in my high school experience- building a family within school, gaining invaluable learning experiences, and growing into a better individual. I would like to thank each and every one of you for allowing me to serve as your President-Elect and President these past two years! It has been an unforgettable experience and I am eternally thankful for the opportunity. Despite everything that has occurred over the past 1 and a half year, we've succeeded in finding "normalcy" in what's left, and I thank you guys for making it a close-to-seamless transition to an online platform. Moving forward, I wish each of you the absolute best in the future and urge you to continue to put your best foot forward and take advantage of everything HOSA has to offer and give you. Thank you so much Middleton HOSA for everything you have given me, and good luck!

Mahi Nomula, Vice President

Despite the changes we have went through this year, I've had such great time being your Vice President. My final piece of advice for all the underclassman is to make the most of your moments in this club. I can easily say some of my favorite memories from high school come from competing, traveling, and meeting new people through HOSA, so enjoy it all before it ends!

Alisha Das, VP of Competitive Resources

Hi Middleton HOSA! It has been an honor and a privilege to serve as a HOSA officer for these past few years. I am so proud of each and everyone one of you for getting through this year! You all are trailblazers! I have learnt so much from my years in HOSA from fellow members, the officer team, and our wonderful advisors and I hope you all will continue to learn and growth with HOSA. I'm so grateful for this experience and for all of you. I wish you all nothing but the best for the future!!

Sanjana Madaram, Secretary

It has been an honor serving you all this past year as your chapter secretary. The year has been minimal, but you all have made the best out of it. As a senior this year, I will always be there to guide and assist you when needed. My advice to you all is to study hard and have fun. Cherish your friends and appreciate your teacher's help; you won't realize how fast it goes until you're about to graduate :) Also feel free to reach out to me if ever needed!

Keerthana Muthukumar, Co-Reporter

Congratulations everyone for making it through another successful year of HOSA. Thank you for making this year amazing despite the challenges we faced. I wish you the best next year!
